

2018 MINNESOTA WEDNESDAY NIGHT CX

Environmental Nature Park Brooklyn Park August 22, 29 and September 19

Battle Creek Water Park Area September 5, 12 and 26

Pay close attention to the nightly start times and venues. Start times will get earlier as the daylight decreases. These races will be organized, structured and low key early season races. Great time to try the sport out as a beginner or a chance to work out the cobwebs for those returning for the new season. The races will be insured, but not through USA Cycling. Providing the beginners with a chance to try racing without worrying about one day license fees. Self-selecting fields... pick your own race (No sand bagging). Advanced 60 minutes, Intermediate 45 minutes, Beginners 30 minutes and Newbies roll for 15 minutes. **This is a chip timed series-cost to replace lost chips is \$110. Return chips to blue buckets.**

Course design will be done by the sponsoring shops. Big question...who is going to have the best course?

ENTRY FEES

\$20

START TIMES: These will change each week, be sure to read and don't be late. Registration begins one hour before the first race and ends 15 minutes prior to race start. Reduce time in line with the CX Express Pass- \$100 for entire race series.
